Dedicated Meeting URL

Accommodate up to 325 participants in a personalized meeting room with a unique web address.

Quickly Schedule Meetings

Start, schedule and manage meetings in one click from your desktop, mobile device or Outlook Toolbar.

Multiple Audio Connections

Instantly join meetings with the Call Me feature via phone or VoIP, or easily connect with your mobile device.

Maintain Employee Productivity

Participants can quickly join meetings without dial-in passcodes or software downloads to ensure meetings start on time.

Present Engaging Content

Collaborate with participants by sharing your screen, a video or an application. Upload files to your cloud-based file library for guests to access and download.

Easily Record and Distribute

Record meetings with one click and send out the recording link to meeting participants from within the tool.

Move Meetings Easily Across Devices

Stay engaged while on the go — quickly transfer an ongoing meeting to another device without interruption.

Enhance Participant Engagement

Engage participants with HD-quality video and personalize presentations with Q&A, polling, whiteboarding and public/private chat options.

24/7 Live Support

Hosts and guests can access best-in-class customer support representatives at any time in their local language.
