

GlobalMeet® Operator Assisted Industry-Leading Event Conferencing

PGi's award-winning, highly trained event experts manage hundreds of high-profile audio events every day for some of the world's largest organizations. From quarterly earnings calls and press events to corporate announcements, you can rely on PGi's proven expertise to deliver flawlessly executed events over a secure and reliable global audio network.

Minimize Risk with Full-Service Professional Care

Our event professionals tailor events from beginning to end to meet your specific business needs with complete pre-, live and post-event management. We offer flexible meeting entry options including click-to-join, operator-greeted and passcode entry to allow participants to connect easily and securely.

Host Spectacular Events with Better Outcomes

Engage your audience utilizing our secure and reliable audio technology for crystal-clear communication free of distractions. Exceptional service and support for up to 15,000 participants from anywhere in the world ensures a successful outcome for your most important events.

Streamline the Way You Request and Manage Events

The events portal provides our users with more control and easy event management with 24/7 support. Book new events and receive the conference details instantly. Receive notifications when post-event deliverable are available for download, directly from the interface.
